The first international cinema event ever to be established in Korea, the Busan International Film Festival (BIFF) has not only become Asia's leading film event but also a bridge between Korea, Asia, and the world beyond. Given the scale and scope of the Festival's initiatives and offerings, BIFF could be best described as a unique collection of "islands" (the film program, the Asian Film Market, the Asian Cinema Fund, the Asian Film Academy, etc.) clustered around the Busan Cinema Center megastucture.
